

Start Time for Town Meeting

Last year TMCC conducted a survey that indicated TM members were evenly split as to whether Town Meeting should start at 7:00 or 7:30 pm. This year the Select Board decided to move the starting time for Town Meeting to 7:00 pm. We are repeating that same survey now. After experiencing a few nights of starting Town Meeting at 7:00 pm we ask all Town Meeting members to complete this survey and return it to the TMCC Surveys / Suggestions box on the back table in the auditorium.

Please answer Yes or No.

- I prefer TM Sessions begin at 7:00. _____ (N.B. A 7 pm start time would not change the 10 pm end time.)
- I prefer TM Sessions begin at 7:30.

Dependent Care Support

TMCC is in the process of re-examining the earlier policy for dependent care reimbursement and preparing a budget proposal to help offset costs for Town Meeting members who have family members needing paid care (babysitter, personal care attendant, etc.) at home to enable them to attend sessions of Town Meeting.

To support this budget proposal, we would like to ascertain the interests and needs of Town Meeting members for help with dependent care costs. Please let us know whether you might like to take advantage of help with dependent care costs or if you know of someone who would have run for Town Meeting if they were aware of an opportunity for this type of reimbursement.

Please	answer yes or no.
•	Do you anticipate possibly requesting this during FY 2014 (7/1/13-6/30/14)?
•	I know someone who would have run for Town Meeting if they were aware that help with dependent care was possible
Any oth	ner comments / suggestions for TMCC?

Name of Town Meeting member ______(optional)
